On Behalf Of: HB 2583  
Committee: House Committee On Education  
Measure, Appointment or Topic: HB2583

As a parent of a virtual public charter student, I believe every child deserves equal access to education funding, no matter what type of public school they attend. HB 2583 ensures students like mine get the resources they need to thrive, just like their peers in traditional public schools. Let's make education fair for all Oregon students by voting yes to HB 2583."
