Vote by mail in Oregon is essential to voters like myself that cannot easily make it out to a polling station. If I cannot use vote by mail, I will not be able to submit a vote as it is not possible for me to get to a polling station in person. There will probably be a lot of Oregonians in this situation. Please consider opposing this bill as the right to vote by mail is one the most important abilities, we as Oregonians have that a lot of other states do not. Thanks!
