I'm writing in to oppose SB210 This bill would end mail-in voting, require voter ID, and ensure in-person voting on Election Day (with absentee options).

For me I can easily vote as I live in a large city with many polling stations, a car and a job that allows me to go vote whenever it's convenient.

This bill is a step backwards. Older voters have a difficult time driving to vote. Working voters have a difficult time taking time off work. The people that live in eastern Oregon have a difficult time voting. I am testifying not for myself but for my fellow Oregonians. We stand united.

The change to mail in voting increased voting equally for all Oregonians and it's vital that we keep mail in voting. We have some of the highest voter turnout - we saw the biggest increase in farmers and the working class - and we still have some of the lowest voter fraud.

I oppose this bill.
