

Submitter: Sharon Williams

On Behalf Of:

Committee: Senate Committee On Rules

Measure, Appointment or Topic: SB210

I have lived in four states in my lifetime California, Nevada, Texas, and now Oregon. Oregon by far is the most efficient way to vote. There were times in these other states that I was sent incorrect precinct information and actually missed voting. I've been in Oregon for over 20 years now and everyone in my family agrees vote by mail is the way to go.
