Measure, Appointment or Topic: SB210

Since becoming a resident of Oregon I have voted in every election because of the convenience. I didn't have to go out of my way, plan ahead for an hour of my time, stand in line, wait to vote. I can research each issue or candidate and work through the ballot on my own time and turn it in when due. Oregon has streamlined the process and made it convenient therefore, I do believe more people are inclined to vote. I oppose SB 210 and think this measure would negatively impact the voting process.

Thank you
