

Submitter: Angela Garvin

On Behalf Of:

Committee: Senate Committee On Rules

Measure, Appointment or Topic: SB210

We MUST put an end to this administration's dictatorial overreaching into American rights - and stop entertaining bills that take away the rights of citizens and make it more difficult for citizens to vote. If this kind of legislation passes, the next step is that they will try to take away our right to vote altogether. STOP these traitors. Do NOT entertain this nonsense.
