

Submitter: Steven Hiatt

On Behalf Of:

Committee: Senate Committee On Rules

Measure, Appointment or Topic: SB210

This is just another act of voter suppression. Trump knows that making it hard for people to vote will help him and his followers to stay in power. Democracy needs to know the views of as many citizens as possible. Suppressing votes is undemocratic and a threat to our constitutional form of government. I'm disappointed with Ed Diehl for being part of this movement to suppress the will of the people.
