Please oppose this bill to require voting in person only. It is so convenient to vote by mail and is one of the many advantages of living in Oregon. As a busy working parent of small children, I am able to research my candidates at home when the kids are in bed and vote informed and efficiently. I also don't have to miss a day of school and find childcare when schools are closed to open for voting booths, as I did in Maryland. There is no substantial evidence that shows voting by mail causes any fraud in the voting system. Voting by mail is the best! Please keep it!
