

Submitter: Lisa Maloney

On Behalf Of:

Committee: Senate Committee On Rules

Measure, Appointment or Topic: SB210

Please Vote Yes! Secure the Ballots!

We need to get back to secure elections in each precinct.

Going to the polls on election day is easy, secure and patriotic!

Citizens who are unable because of a disability or other circumstances will be able to have an absentee ballot.

I have family members that moved out of state over 10 years ago and their ballots still come to my house every election! The only way to fix this is to have in person voting!
