

Submitter: Talbot Bielefeldt

On Behalf Of:

Committee: Senate Committee On Rules

Measure, Appointment or Topic: SB210

Mail-in voting makes it dramatically easier for many people -- working people, seniors, or anyone who cannot usually get free during election day --to exercise their right to vote. In hotly contested elections, it allows everyone to vote free of intimidation at the polling place. Our mail-in system has operated securely for many years, and there is no benefit to society in dismantling it now.
