

Submitter: Brian Johnson

On Behalf Of:

Committee: Senate Committee On Rules

Measure, Appointment or Topic: SB210

I feel that Oregon's vote by mail system is secure, easy to perform, and free from the hassles of voting in person at crowded voter booths. As a disabled veteran senior voter, it would be physically difficult for me to stand in line to vote. Don't ruin the easy, secure voting system we presently have! I strongly oppose SB 210!
