

Submitter: Israel Jurich

On Behalf Of:

Committee: Senate Committee On Rules

Measure, Appointment or Topic: SB210

Mail in voting is accurate and inclusive. It's very hard for the party trying to suppress voting to do so when we don't have to show up in person. If they succeed in removing mail in voting, then Election Day should be a state holiday and legislature should pass strong labor protections for people who miss work to vote. Of course, we don't need that extra law stuff if we just keep the fantastic system we already have. Keep vote by mail.
