

Submitter: Jacqueline Labonte

On Behalf Of:

Committee: Senate Committee On Rules

Measure, Appointment or Topic: SB210

Dear Senate Committee on Rules,

I oppose “making in person voting on the day of” because it is not practical for people who become ill on or around the voting date. Also, some folks may just be away for any sort of emergency, etc.. the scenarios are endless.

Mail in voting is an option and a convenience that, I believe, most Oregonians appreciate.

Sincerely,
Jacqueline Labonte
