

Submitter:

Amanda Prulhiere

On Behalf Of:

Committee:

Senate Committee On Rules

Measure, Appointment or Topic:

SB210

I regret my decision when I voted for mail in ballots. I was only 18 or 19 years old when I voted for it. I feel living in southern Oregon our voices and votes do not seem to count as much as Portland/Salem. I feel there is corruption with our current voting system. I hope with ending mail in ballots it will help southern oregons votes to be counted and heard. Thank you for your time.

Amanda
