There is nothing wrong with our voting system. It works just fine. We have time to research our choices, to vote in the privacy of our own homes. We don't need to stand in line or go out in a storm. I am almost 80 years old. Mail-in voting is great for me. This way, everyone can vote. If we go back to the bad old days fewer people will make it to the polls due to illness, work hours, children in the home, lack of transportation.

Please don't change this!
