

Submitter: Michael McCarter

On Behalf Of:

Committee: Senate Committee On Rules

Measure, Appointment or Topic: SB210

I strongly support SB 210. In person voting verifies, by signature, that this person is legally registered to vote. The act of walking into a voting place builds strong community support and the right to vote. It sets an example to young people that taking the time to go to a voting center is important to free people. Please move this bill forward.
