

Submitter: Jill Gioello
On Behalf Of: Myself
Committee: Senate Committee On Rules
Measure, Appointment or Topic: SB210

My husband and I are senior citizens of Eugene, OR, and we firmly oppose a bill to remove mail ballot voting. We have always voted this way, and believe strongly that it is safe and secure. We deposit our ballot in a voting box that we also believe is safe and secure. There is no justifiable reason to remove mail ballot voting, for any reason. I have never seen any viable proof that this form of voting has excessive problems.

We strongly oppose this bill!
