

Submitter: Ron Wilmot

On Behalf Of:

Committee: Senate Committee On Rules

Measure, Appointment or Topic: SB210

I support this Bill, as it promotes Election Integrity. In person Voting with proof of U.S. Citizenship is also important & that's why all Voting must be done in person to ensure yours & my Votes is completed according to our choices. Mail Voting doesn't ensure voting integrity etc.

Thank you

Mr. Wilmot
