Re: SB 210

NO, NO, NO!

I am 73 years old and I do not want to stand in long lines to vote. Also, the day may come when I can no longer drive - that should not mean that I can no longer VOTE!

I appreciate being able to carefully consider everything on my ballot from the comfort and safety of my home, to make informed choices about issues and representation that affect me.

Please do not buckle to what's going on in Washington, D.C. Voting rules are up to the states. Oregon should stand with its people, not a rogue administration trying to fix all the rules to its own benefit.
