

Submitter: Regina Claypool-Frey

On Behalf Of:

Committee: Senate Committee On Rules

Measure, Appointment or Topic: SB210

I oppose SB 210; support and continue to support Oregon's current existing Vote-By-Mail system, which has been run smoothly, efficiently, and honestly in my observation and use over many years. I see no structural or fiscal reason to change a system that is serving the state's electorate well, despite current partisan efforts to bottleneck and complicate national voting systems across the states.

I again reiterate my support of Oregon's current working election/vote-by-mail system and oppose SB 210.

Thank you.
