

Submitter: Edward Jones

On Behalf Of:

Committee: Senate Committee On Rules

Measure, Appointment or Topic: SB210

I oppose this legislation that is baseless and absurd. I wish as elected officials you would actually step out of the party line and work to create a better future for Oregon instead of wasting time. The individual(s) who submitted this low IQ legislation should be held accountable for wasting our tax dollars and my time having to oppose this stupidity.
