

Submitter: Michelle Sekara

On Behalf Of:

Committee: Senate Committee On Rules

Measure, Appointment or Topic: SB210

This is an undemocratic & ridiculous attempt to make it harder for Americans to vote. Why would Republicans want less Americans voting? Could it be because Republicans lost the popular vote in 7 out of the past 8 POTUS elections & lost the Electoral College in 5 of the 8 over the last 36 years?

I do not support making it harder to vote. KEEP MAIL IN VOTING!
