It is about time Oregon went to in-person voting and voter ID. We have seen so much fraud in our voting here in Oregon, from Post Office workers dumping ballots, people getting the wrong ballot, and people not getting a ballot at all. In person ballots will be cheaper for Oregon and we will finally have a clean auction. Also, if people want to do it the old way by mail, they can do that as I understand.

Oregon has not had a Republican governor ever since Oregon went to mail in ballots, that is suspicious. Show you have nothing to hide and go to in person voting with ballots and voter ID.

Thank you.
