Please vote no on SB210. Vote by mail has been such a godsend to our family. Getting out on Election day is not guaranteed. Being able to vote by dropping my ballot in the ballot box at City Hall is, because I can vote any number of days after my ballot arrives. I have access to the Voter's guide while I complete my ballot. I feel that it's made me a more informed voter. I have never missed an election since I moved here and was introduced to vote by mail. I think it's important to keep the voters as accommodated as possible. I voted on the day in other states. Long lines. Overburdened poll workers. It was never a pleasant experience. It was never easy and it always took longer than necessary. It's a ridiculous idea. We, truly, have bigger fish to fry. We should be more concerned with feeding Oregonians than we are about overhauling our voting system. 1 in 6 kids go hungry in Oregon, 75% voted in the last presidential election. Please take that in mind.
