

Submitter:

Pamela Smith

On Behalf Of:

Committee:

Senate Committee On Rules

Measure, Appointment or Topic:

SB210

Oregon's Vote by Mail is safe, secure and accessible to all. No need to worry about the weather effecting the vote, and we have major weather here in Oregon in the month of November. No need to stand in long lines with our current system. Do not let fear mongering about voter fraud, which is virtually non existent in our beautiful Oregon, change a wonderful system to practice our democracy by voting.
