Oregon needs to keep Vote By Mail. It enables all who are eligible to vote. Repealing it will disenfranchise the poor who may have no transportation or who have to work on voting day to make their rent. Repealing it will disenfranchise the disabled who are unable to stand in line or leave their homes. Repealing it will disenfranchise the elderly who also may not have transportation. Repealing it may disenfranchise parents who have no one to care for their children while they vote. Voting by Electronic Voting Machines also allow unethical Billionaires who own satellites and/or voting machines to hack our votes, Vote By Mail is a paper ballots that get sent directly to our Election Offices.

Oregon passed Vote By Mail for a reason; We The People are stronger Together. Conservatives seem to think they can only win elections by taking away our Constitutional Votes.
