Vote by mail is safe, effective, and secure. It allows people who are NOT ABLE to take the day off or get to the polls on ONE DAY able to vote which allows more access to voting. You want to encourage voting?? Make it accessible to all eligible voters not just ones who are privileged enough to get to a poll on a certain day. The only reason to do in-person voting is to make it LESS accessible to everyone, which is the Republican dream. HANDS OFF OUR MAIL IN BALLOTS!!!
