

Submitter: Daphne Cissell

On Behalf Of:

Committee: Senate Committee On Rules

Measure, Appointment or Topic: SB210

Voting by mail is accessible to all people, whereas in person voting leaves out people who have to work and do not have the flexibility in their schedules to go in person.

There are other barrier beyond just work: transportation, family care, etc.

After living in other states that require in person voting I appreciate that mail in voting is more convenient and equitable. It is fair to all and it works! Do not change this current method of voting!!
