

Submitter:

Nanette Niski

On Behalf Of:

Committee:

Senate Committee On Rules

Measure, Appointment or Topic:

SB210

Our vote by mail system has worked very well for many years. It makes it easier for more people to vote. I personally sit down at home and take lots of time to review all of the measures and candidates, fill out my voting form and drive it to the Multnomah County drop box every election. Please do not change something that does not need to be changed or fixed. It's a great system.

Thank you.
