Committee: Senate Committee On Rules

Measure, Appointment or Topic: SB210

I am writing in opposition to SB 210, which pertains to the elimination of vote-by-mail in Oregon. We have high voter turnout. We serve rural communities. We have some disabled citizens & elderly citizens.

I can only ask/beg you do not take this well- functioning, and long used system we have. Please do not succumb to pressures from our. Urgent federal administration. The entire process is ridiculous.

It used to be a matter of pride, a sense of duty and community to go to the polls. With recent years of boer interference, it is safer to have mail- in balloting.

Thank you sincerely,
