

Submitter: Miranda Tasker

On Behalf Of:

Committee: Senate Committee On Rules

Measure, Appointment or Topic: SB210

I am strongly opposed to the idea of removing or setting any barriers in place that would make participating in our right to vote more difficult. Mail and voting husband and absolute positive for the state of Oregon for people with young children who cannot easily leave, those who work, people with disabilities intellectually or physically, and many many other reasons. Mail in voting should be absolutely protected.
