

Submitter: Jordan Miller

On Behalf Of:

Committee: Senate Committee On Rules

Measure, Appointment or Topic: SB210

You have people on reddit brigading these testimonies. Here is an example:
https://www.reddit.com/r/Portland/comments/1jo3fbw/new_bill_proposes_repealing_vote_by_mail_in_oregon/

Please get rid of mail in only voting. Why am I not allowed to go somewhere in person and vote? USPS is obsolete now with email. Voting by mail should not be a thing. If we are going to do that we might as well require vote by carrier Pidgeon or Morse code. Just let me go somewhere and vote in person or I wont vote.
