Committee: Senate Committee On Rules
Measure, Appointment or Topic: SJR30

I am opposed to this proposed legislation. This bill will effectively destroy the initiative process in Oregon which is one of the few democratic processes available for the voters to enact democratic change.

The initiative process is already difficult enough thanks to the large corporations with their unlimited amounts of cash that can be used to influence the process at every step involved.

Protect our fragile democracy. Vote to protect the people not the large, greedy corporations. Vote no on SJ 30.
