

Submitter:

Kimberley Altig

On Behalf Of:

Committee:

Senate Committee On Rules

Measure, Appointment or Topic:

SB210

Vote by mail allows handicapped and working people to vote easily. It also helps people to be better informed as they can use their voter pamphlet and notes while voting in the comfort of their own home. I shudder to watch folks in other states standing in line in all sorts of weather for hours on end to vote! Unnecessary and absurd!
