

Submitter: Kelsey Covington

On Behalf Of:

Committee: Senate Committee On Rules

Measure, Appointment or Topic: SB210

I do not support making in-person voting on the date of an election a requirement. Being able to vote by mail helps me as an individual actually participate. We will lose out on democracy by making it harder to vote through in-person voting methods and ID requirements. The people most impacted are the ones most vulnerable and marginalized. Our voices must be heard.
