On Behalf Of:

Committee: Senate Committee On Rules

Measure, Appointment or Topic: SB210

Oregon has the great honor of being the first state to implement the Vote by Mail process, some 25 years ago. For 25 years, we have enjoyed a safe, fair, efficient, and cost-effective way of making our voices heard. Rather than destroy an excellent system, our legislators should be looking for ways to help other states put their own Vote by Mail in place. Please vote against SB 210. Thank you.
