Committee: Senate Committee On Rules

Measure, Appointment or Topic: SB210

Vote by mail in Oregon is a required tool to ensure all Oregonian Voters have a chance to execute our duty to vote as citizens of this country. Oregon has driven the use of VBM to be not only effective but a highly secure and validated process that works. It allows registered Voters who are disabled, without transportation or overburdened with life's daily personal and professional demands to be able to speak their mind without adding more stress to their life. The ONLY REASON folks would be against VBM is if their tribe loses when more registered voters execute their preferences. Please oppose this Bill....thx, Theresa and Laune Brown
