Oregon's current vote by mail system is a wonderful example of how to make it easier to vote and since arriving here in 2017, I have thought of it as a terrific example of how to create a more participatory democracy.

In a time when certain groups are pushing the national SAVE act, which again would restrict voting, and thereby favor the wealthy people who already have too much power, PLEASE SAVE OUR CURRENT VOTING SYSTEM.

DEFEAT SENATE BILL 210!

It is a blatant partisan act to suppress participation in our democratic process.
