SB210

I oppose eliminating vote by mail in Oregon. We have used vote by mail since the 90s and it has worked for so many reasons. No long lines, I do more research on the issues and am better prepared when I submit my ballot, it is more user friendly for people that are seniors, people with disabilities, as well as working families. I DO NOT WANT TO GO BACK to in person voting. It is more efficient and it works! Please go not change it!!
