

Submitter: Gregor Miziumski

On Behalf Of:

Committee: Senate Committee On Rules

Measure, Appointment or Topic: SB210

Oregon's vote-by-mail is a beacon of successful democracy. We need MORE of our citizens to vote, not fewer.

Without healthy turnout, representative democracy is ruined. We can't seem to get compulsory voting, but this is the next best thing.

Don't ruin our state with this reactionary legislation.
