Senate Committee On Rules

Measure, Appointment or Topic:

SB210

I oppose the elimination of the Oregon mail-in voting system. This would exclude so many people from being able to vote in Oregon. Not everyone is able to go in person to vote. Most work places do not give people the time off to go stand in line and wait for their turn to vote. Those who are physically unable to go in person to vote would not be able to vote without the mail in system.
