

Submitter: Daniel Warrick

On Behalf Of:

Committee: Senate Committee On Rules

Measure, Appointment or Topic: SB210

It is my personal opinion that in-person balloting is the only way to insure a clean and accurate vote in this state and this nation. I have had no faith in the mail-in ballot system since it began years ago. I also believe that the act of physically showing up at a polling place is a very small price to insure an un-compromised election procedure.
