Committee: Senate Committee On Rules
Measure, Appointment or Topic: SB210

Hello,

My name is Kala Franklin- I am a currently unaffiliated voter, that previously registered as a Working Families and due to unopened primaries switched to the Democratic Party.

I am writing to oppose Senate Bill 210.

The ability to vote by mail is allows Oregonians cross this state to vote, and restricting voting in our state to in-person only will only increase low-voter participation.

While I am not always feel my voice being heard I strongly believe that protecting vote-by-mail protects the voices of the voters.
