Government, and Veterans

Measure, Appointment or Topic: HB3062

Good morning,

My name is Monique Bochsler and I'm writing in opposition of this bill. I am against this bill as it introduces unnecessary government intervention, despite existing zoning codes that already address the concerns of its supporters. It's crucial that we halt the stifling of business growth in our state and instead foster an environment that attracts companies to operate here.

Thank you

Monique Bochsler
