Measure, Appointment or Topic: HB5009

Please support HB 5009 to fund ODFW for the Private Forest Accord Grant Program. The PFA Grant Program should be fully funded at \$20M. This program invests in restoration projects across the state to conserve and protect habitat for fish and amphibians and hence, all within their food chains.

The work of the PFA can guide forestry on private land for generations. Please pass this bill and secure these improved protections for clean water, forests, and continued strong biodiversity by fully funding these programs.
