

Submitter: Cheyenne Love

On Behalf Of:

Committee: Senate Committee On Rules

Measure, Appointment or Topic: SB210

Dear Members of the Senate Committee On Rules,

I'm writing in support of SB 210. We need to make changes to our current mail-in voting system to ensure future secure elections, but also to instill confidence back into the election process. Voter ID shouldn't be controversial- if a person can't buy a bottle of wine or certain OTC medications without showing proper identification, why are we voting without it?

Sincerely,

Cheyenne Love
