Measure, Appointment or Topic: HB3542

I have been riding motorcycles for nearly 50 years. First in California, and for the past 25 years here in Portland, Oregon.

I learned to ride on the busy city streets of San Francisco, California, and I strongly recommend the passage of the lane sharing bill in front of you.

I won't waste our now time regurgitating all the pro lane sharing, talking points. It's a good idea, and it's time has come here in Oregon. Please help us all by voting YES to progress our transportation situation here in the great state of Oregon.
