

Submitter: Shelby Persons

On Behalf Of:

Committee: House Committee On Agriculture, Land Use, Natural  
Resources, and Water

Measure, Appointment or Topic: HB3343

I am opposed to this bill. We would appreciate it if you would STOP trying to be in control of things you have no right to be in control of. Our right as property owners, who place and maintain, along with financially, our own wells and upkeep of water sources on our properties is ours alone. It is NOT okay for you to be metering anything on private property. You are overstepping.
