Committee: Senate Committee On Rules

Measure, Appointment or Topic: SB210

Dear Senate Committee on Rules,

I write to share my SUPPORT for SB210 to restore confidence in Oregon's election process by:

*Making in-person voting standard, with exceptions for military, overseas voters, and those unable to vote in person.

*Requiring photo ID for voting and ballot requests.

*Ensuring all mail-in ballots are received by Election Day – a standard already enforced in most states.

Thank you,
William Evans
