

Oregon Veterans Association

Post Office Box 2385 Beaverton, Oregon, 97075

The Oregon veterans Association asks for a NO vote on SJR 30.

Oregon veterans are very proud of public support for veterans at the statewide ballot box. In 1950, voters passed Measure 7, which created a WWII Veterans' compensation fund.

In 2016, Oregonians passed Measure 96 by 83%, which directed state lottery net proceeds towards veterans' services. Please safeguard the people's ballot measure process.
